Sun 6a.m.- 6p.m.
Pools
Daily 5a.m.-10p.m.

Over 350 La Costa Oaks residents made it to the Annual Summer BBQ this year. The crowd came for the BBQ and had a blast being entertained by the activities and DJ from Xtreme Fun. Many thanks to Brett's BBQ for taking it up a notch this year, the pulled chicken and beef brisket were excellent. Take a look at the photos.

Operation Report Card

No, this is not a back to school promotion, but an announcement of a new program developed by the Carlsbad Police Department. It is a new vehicle security awareness and crime prevention program called, "Operation Report Card."

Throughout Carlsbad parks, recreation areas, and parking lots, unattended vehicles are being broken into at increased rates. The police department is enhancing enforcement and implementing this program to reduce the opportunity for crime. The best way to stop these thefts is to remove all property from unattended vehicles and by doing so community members will be removing the "opportunity" for crime.

Police will be placing yellow notices on cars that will let the driver know the security status of the vehicle. The notices will also give other prevention tips. The goal of the program is to create a Police-Community collaboration that ultimately reduces the occurrence of vehicle crime. According to Chief Gary Morrison, "Effective policing takes teamwork and together we can reduce crime and ensure a safe and secure summer for everyone."

Tips from the Program Coordinator, Adam Young:

- * When possible, park where you can see you see it.
- * Remove ALL property from unattended vehicles. If you can't take it with you, leave it at home.
- * Always lock your vehicle and take the keys.
- * Don't leave a hidden key on or in your vehicle.
- * At home, park your vehicle in the garage, and remove all personal property and lock it.
- * If you cannot park in a locked garage, park as close to your house as possible and lock your vehicle.
- * Be the eyes and ears of your area by calling the Police Department for suspicious activity or to report a crime
24/7 at 760-931-2197
- * Call 911 in an emergency or for a crime in progress.

If you have any questions, contact Corporal Adam Young via phone: 760-931-2143 or email: adam.young@carlsbadca.gov

Dates to Remember:

Architecture Review Committee: Have applications to the office by Thursday September 4th. This committee meets on the second Tuesday of each month.

Landscape Committee: Meets on the first Thursday of each month. If you have interest in applying to be a member of this committee, let Carl or Jennifer know. Contact the office for info.

Board of Directors Meetings: Meets once per month, next meeting is 7:00 PM, Tuesday September 15th at the Oaks Club.

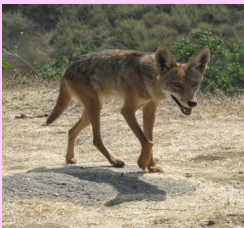

****SAVE THE DATE****

Oktoberfest: Saturday, October 10th

Rattle Snake Warning

As the warm weather returns, so do the snakes. We have had a number of reports recently. Keep your eyes and ears open as you are walking in the community.

Call 911 or 619-236-2341 for rattlesnake removal. Carlsbad Fire Trucks are equipped to deal with snake removals.

Coyotes!

Thankfully, Coyotes have not been a big problem for us in Carlsbad recently, however, Los Angeles, Irvine and other Southern California cities have been noticing an increase in dangerous contact between coyotes, people and pets.

Take care and keep your eyes open when you are outside. CA Wildlife Officers recommend if you see a coyote, you should pick up your pets and small children, make plenty of noise, and walk away. Never turn your back on a coyote.
